### EXPERIENCE

**Kennedy Publishing**, April 2015 to current, Bristol

Designer of KiCK! Magazine, the UK's bestselling monthly children's football magazine. Responsible for designing the layout of the magazine and packaging for its cover gifts in a fast-paced environment. Also required to coordinate with clients, printers and editorial staff to meet tight print deadlines.

**Reed Design & Print**, April 2013 to April 2015, Bristol

Designed print work for varied clients. This included branding and business stationery, newsletters, restaurant menus, posters, flyers, brochures and adverts for magazines and newspapers. Often working to tight deadlines, and required to proofread both my own work and client supplied text before print.

**Dhek Bhal**, June 2013 to November 2013, and July 2014 to November 2014, Bristol

Worked with the charity to design both their 2014 and 2015 calendars and annual reports. This involved liaising with the client, and discussing content and design decisions.

**Marriage**, July 2013, Bristol

Joined the small design studio as an intern, and assisted with logo design, branding, packaging, trade show banners and website designs for several of their clients.

**Immediate Media**, May 2012, Bristol

Worked across four of the craft magazines for work experience. Designed spreads for several magazines, and assisted on two photo shoots.

**ML4D Ltd**, July 2011, Bristol

Work experience at the web startup Loccit. Worked both digitally and for print, designing web graphics, promotional material and several greetings cards.

### EDUCATION

**University of the West of England**, Bristol

BA(Hons) Graphic Design (2010–13)

2:1, Second Class Honours (Upper Division)

**South Cheshire College**, Crewe

BTEC National Diploma Fine Art (2005–07)

### SKILLS

**Great working knowledge** of Adobe Creative Cloud design software, most notably using InDesign, Illustrator and Photoshop.

**Excellent time management skills** from my five-and-a-half-years' experience of juggling an ever-growing workload.

**Motivated and energetic** enough to visit the gym before work every morning.

### INTERESTS

Enjoy visiting European cities to eat at the vegan restaurants, admire the architecture, drink the local beer and, when I can persuade my wife, visit the football grounds.
